

PARKER'S HOTEL,
(LATE TRAMONTANO)

NAPLES.

Professor E. Cesàro,

My dear Sir:-

I have made three unsuccessful attempts to pay you a visit, having gone twice to your residence and once to the university.

Can you not do me the honour to arrange an hour and place of meeting where I can see you? I shall be glad to accommodate my arrangements to your convenience.

I am staying at the above hotel, 135, Corso Vittorio Emanuele and am at home after eight o'clock in the evening.

Yours very truly

E. O. Lovett
